BORN A **REBEL**

MG 5

BORN TO BE A REBEL

The MG 5 has been carefully designed to be more spacious and serve various uses. Under the concept which combines performance, handling, design and safety together, the car radiates a sense of sportiness and facilitates all types of lifestyles with functions and technologies for those who are in pursuit of something beyond. A well-thought-out vehicle to answer your identity.

MG 5

IDENTITY BEYOND DESIGN

At the rear, 3D LED Race Track tail lamps are inspired by a starting gun concept. Finishing the overall look is a palette of bold, youthful paint colours that are inspired by the original MG 5's Nuclear Yellow paint, and two-tone alloy wheels with 17-inch rims and tomahawk spokes that enhance the feeling of speed.

MG 5

DESIGN BEYOND IDENTITY

The design reflects the driver's beyond image. MG's latest signature design of 3D digital burning front grille, the sharp lines, the agility and the slim body of sports coupe design provide a pleasant look. The 5-Stalk alloy wheels and LED projector headlights give an irresistible sporty feel.

MG 5

ALL-POWERFUL PERFORMANCE

A sleek, sporty sedan should deliver a smooth performance, and the MG 5 exceeds expectations. Available in two variants, it impresses from the moment you ignite the engine. Choose the 1.5 Turbo model for a powerful, sporty drive; producing 173HP and 275Nm maximum torque, it propels you from 0-100km/h in only 8.5 seconds*. The 1.5L engine, meanwhile, is a high-efficiency option matched to an eight-speed iCVT gearbox, which can achieve a fuel economy of 5.7l/100km*. With a carefully developed sports chassis underpinning the model, you'll experience a drive that is stable, comfortable and above all, responsive.

MG 5

INTERIOR

MG 5

SNAZZY INTERIOR

The MG 5 blends the high levels of comfort you'd expect from a compact Sedan yet evokes the feeling of a fighter jet. Alongside the soft padded materials and Piano Theme-inspired dashboard aesthetics are bucket seats that envelop the body, providing optimum comfort and support on even the longest journeys. The fighter jet style glossy gear knob and aviation grade aluminum accents enhances the athletic quality further, while a wide sunroof complements the spaciousness of the cabin, flooding it with natural light.

MG 5

ADVANCED SAFETY

Wherever you're headed, the MG 5 keeps you and your passengers protected. A high-density steel cage body with laser brazing technology works alongside the driver and all passengers. Side chest airbags provide protection against impacts, while rear parking sensors and a rearview camera offer assurance when you're reversing and manoeuvring. With ISOFIX anchor points as standard, younger passengers are kept safe, and an electric parking brake and tyre pressure monitoring system provide added peace of mind. Choose the DEL trim for cutting-edge features such as Forward Collision Warning System, Lane Departure Warning System, side curtain airbags and a 360-degree camera.

MG 5

BOOSTED PERFORMANCE

The turbo charged engine and 7-Speed Dual Clutch Transmission [DCT] in the MG5 Essence delivers dynamic driving, combining power and efficiency seamlessly.*

Feel the thrill of acceleration with the DCT for smooth and lightning-fast gear changes, providing a responsive and engaging ride.

Whether navigating city streets or cruising on the open road, the MG5 will redefine your drive with boosted performance.

VIBE

KEY FEATURES:

- 1.5L engine
- 10" Multi-function colour touch screen Apple CarPlay & Android Auto
- Bluetooth® connectivity for phone and audio streaming
- 4 speaker audio
- 16" two-tone alloy wheels
- Reverse camera and rear parking sensors
- Automatic LED Headlamp
- Push button start and keyless entry
- Synthetic leather seats and steering wheel
- 3 Steering mode (urban, normal, dynamic)
- Autonomous Emergency Brake (AEB)

ESSENCE

AS VIBE PLUS....

- 17" two-tone alloy wheels
- Sunroof
- Turbo Charged engine + 7 speed DCT
- 6 speaker audio with 3D Sound Effect
- 360 View Camera
- Driver's seat electric adjustment
- Electrically folding and heated door mirrors
- Steering paddle shift
- Front grille trim
